

Shu Ren Education Corporation Performing Arts Community Showcase Summer 2022

Dear participants, parent(s)/guardian(s),

You and/or your child or children are invited to participate in the Performing Arts Community Showcase hosted by [Shu Ren Education Corporation](#) (SREC), in association with [Montgomery College, the Department of Nursing](#), [Chinese Christian Church of Germantown \(CCCG\)](#), and [Chinese American School at Rockville Campus](#).

During the pandemic of COVID-19, SREC, as a non-profit organization successfully hosted two virtual talent shows, We Are The World 2020 and 2021 supported by local schools, institutions and church. Please review the events and the final compilation videos on the website <http://www.shureneducation.org/>. As COVID-19 restrictions were lifted in March of 2022, SREC is moving the virtual talent show to a live format: Performing Arts Community Showcase in summer 2022. While continuously expanding their partnership with local schools, organizations and institutions, SREC not only provides an international platform to those who enjoy performing arts but also supports and enriches the community in a larger area. Moving forward, SREC will host two showcases. The first is scheduled for August 6th 2022 at the WorldShine Medical Adult Day Care Center (WSMADCC) [阳光保健养生中心](#) in Germantown. A second will be held on January 28th 2023 at [Asbury Methodist Village](#) in Gaithersburg, one of the top 10 most popular retirement living facilities in Montgomery County.

SREC expresses its vision as the following: with the nature of art, Shu Ren Education Corporation will be the model of art performance and student success in the community. The Performing Arts Community Showcase is part of this mission to bring joy through art performances to seniors in a variety of different locations and formats while promoting student success.
